

RESIDEO TOTAL CONNECT 2.0 REFERENCE GUIDE

Getting Started

Download the Total Connect 2.0 app. Sign in using the username that your security professional created for you or check your email to create a password.

Overview of Your App

Accessing Smart Devices

Tap **Devices** in the toolbar to control lights, locks, and other smart devices.

Accessing Cameras

Tap **Cameras** in the toolbar to view all of your cameras.

RESIDEO TOTAL CONNECT 2.0 REFERENCE GUIDE

Arming and Disarming

On the security tile, tap **Arm Away** or **Arm Stay** to set the system to armed.

If your system is armed, tap **Disarm** to disarm the system.

Add and Manage Users

Tap **More**

Tap **Settings**

Tap **Users**

How to Use Scenes

Tap **More**

Tap **Scenes**

Scenes can be used to create automated actions for your security system and smart devices.

If you have any questions, please visit the help section of the app to see our FAQs.
