

Setting up Your ADS eBill Account is Easy as 1-2-3

With ADS eBill, you can view, print, and pay your ADS bill Online through our secure website. You can set up recurring or one-time payments at your convenience. You can also set up paperless invoicing to receive an email alert with every new invoice.

Getting Started

1. Visit our website www.adsalarm.com – Manage Account – Online Bill Pay.
2. Go to new Users – enroll now-follow the instructions.
3. Once an email is received stating you have created a web account, you go back to complete the registration process. You will need an eBill code.

New customers can **call ADS Billing to get the code**. Established customers can find it **on page two of their monthly invoice, as shown below:**

How to Reach ADS Billing

- By phone: 630.844.6306
- For inquiries by mail: 1111 Church Road, Aurora, IL 60505
